Re: MURs 5995, 6015, Senator Hillary Clinton, Hillary Clinton for President and Shelly Moskwa, as Treasurer

Dear Ms. Duncan:

This letter is to supplement the responses submitted on behalf of our clients, Senator Hillary Clinton, Hillary Clinton for President and Shelly Moskwa, as Treasurer (collectively, the "Committee" or "Respondents") to the complaints filed in Matters Under Review ("MURs") 5987, 5995, and 6015.

Attached, please find two additional invoices and one payment check for expenses related to the Committee's fundraising event featuring Elton John. The check is in the amount of \$49,407.25. Of this amount, the Committee received one invoice for the bulk of these expenses, totaling \$48,207.25, subsequent to the date of the responses to the complaints. The Committee was unaware that there would be any additional expenses due – given the extraordinary amounts already paid for the event in question and the itemized list thereof as previously submitted to the Commission – until receiving this invoice.

The payment appeared on the Committee's July Monthly report. We believe the record regarding the event expenses is complete as of this date.

Respectfully submitted,

Lyn Utrecht

Eric Kleinfeld
